STIPULATION AND [PROPOSED] ORDER

The parties hereto, by their respective attorneys, hereby stipulate and agree, subject to order of the Court, as follows:

1. GE Transportation Services Global Signaling, LLC ("GETS") (formerly GE-Harris Railway Electronics, LLC and GE-Harris Railway Electronics Services, LLC) shall be permitted to file a Supplemental Declaration of Timothy DeWitt, a corrected Declaration of Charles D. Ossola, and corrected pages to its Memorandum in Support of Plaintiffs' Motion for Award of Reasonable Attorneys' Fees and Expenses ("Memorandum") within five days of the entry of this Order

2. As was noted in that Memorandum, the complete billing records for the Shanks & Herbert firm were only received on September 1st; the Supplemental Declaration of Timothy DeWitt explains those records and attaches them as an exhibit for the Court's in camera review. The corrected pages to the Memorandum being submitted

by GETS correct a clerical error in the September 1, 2004 filing – the disbursements of the Shanks & Herbert firm were inadvertently included in the attorneys' fees summary and consequently were counted twice in the requested fee and expenses award. GETS therefore submits corrected pages for pages 1, 5 & 6 of the Memorandum that reflect the correct amounts sought and a Declaration of Charles D. Ossola that corrects the amounts listed in ¶ 2.

3. In light of GETS's filing of corrected and supplemental papers in support of its Motion for Award of Reasonable Attorneys' Fees and Expenses, Wabtec Railway Electronics ("Wabtec") (formerly Westinghouse Air Brake Company) shall have ten (10) business days from the filing of such corrected and supplemental papers to respond to GETS's Motion for Award of Reasonable Attorneys' Fees and Expenses.
